Job Description

- o Receive and verify all goods delivered against purchase orders and delivery notes.
 - o Ensure all items are stored correctly according to type, safety, and quality standards.
 - o Maintain accurate stock records using bin cards and inventory systems.
 - o Monitor stock levels and report low or excess stock to the Procurement/Finance Manager.
 - o Issue items to departments only upon presentation of approved requisition forms.
 - o Record all issued items accurately and update stock balances promptly.
 - o Ensure FIFO (First-In, First-Out) is applied for perishable items.
 - o Safeguard all stored goods and prevent losses, theft, or damage.
 - o Conduct routine stock counts and assist in monthly and annual stock-taking exercises.
 - o Reconcile physical stock with system records and report discrepancies immediately.
 - o Maintain proper filing of delivery notes, invoices, and requisition records.
 - o Prepare daily, weekly, and monthly inventory reports as required.
 - o Assist the finance team in audit and inventory verification processes.
 - o Ensure the store is clean, organized, and compliant with health and safety standards.
 - o Properly label all stored items and arrange them for easy access and tracking.
 - o Dispose of expired or damaged items following hotel procedures.
- Kindly indicate your salary expectation.
